DIRECTORATE OF PUBLIC HEALTH AND PREVENTIVE MEDICINE

359, Anna Salai, DMS Campus, Teynampet, Chennai - 06, Tamilnadu, India.

Welcome to DPHICON 2023, 2nd Annual International Public Health Conference

Dear Friends and Colleagues,

We proudly announce the 2nd Annual International Conference on Public Health (DPHICON 2023), organised by the Directorate of Public Health and Preventive Medicine at Madurai. Tamil Nadu being a trailblazer in numerous Public Health initiatives in our country, holds the distinction of being the first state ever to establish a dedicated Public Health Cadre within the Government Health System and enact the Public Health Act in 1939.

On behalf of the Directorate, we extend a formal invitation to you to participate in this conference. The three - day event, inclusive of the pre-conference activities aim to bring experts together from various sectors who have made direct or indirect contributions to the well-being of the community through a spectrum of public health policies and strategies. The conference will delve into crucial themes of Public Health, which will explore the Public Health specialities with engaging them in debates on current global priorities. This platform will also encourage the knowledge transfer among students of community medicine / public health / health management as well as offer opportunities to present their research in the forum.

We eagerly await your esteemed presence, to complement and make this conference a resonant success. Thank you in advance for your valuable support.

Dr. A. Somasundaram M.B.B.S., M.D., DPH., M.A.E.,

**Organising Secretary,
DPHICON 2023
Chennai**

Dr. T. S. Selvavinayagam M.B.B.S., M.D., DPH., D.N.B.,
